United Services’ Domestic Violence Program is the only provider of domestic violence services and shelter in the 21-town area of northeastern Connecticut. The program operates two 24/7 emergency shelters, as well as counseling, advocacy, social service and case management services to both sheltered and non-sheltered women, men and children who are working to become free of an abusive relationship and rebuild their lives in a safe, healthy environment.
August 2020

Dear Friends,

Nationwide, approximately 1 in 4 women and 1 in 7 men experience severe physical violence by an intimate partner in their lifetime, according to the CDC.

Here in Connecticut, United Services is one of the CT Coalition Against Domestic Violence (CCADV) member organizations providing 24/7 emergency shelter and wraparound support services to women, men and children looking to rebuild their lives free from abuse.

In FY2019, United Services Domestic Violence Program served 1,147 adults and children by providing 2,328 nights of shelter and 15,403 contacts and services.

We continue to see an increased need in the 21 towns we serve, which is why in 2019 we started the United Against Domestic Violence 5K as part of our awareness activities in October for Domestic Violence Awareness Month.

Due to COVID-19, we are holding this year’s event virtually. We will be joining other CCADV providers in their “Walk Around Connecticut” events happening across the state on October 4 to raise awareness and funds for DV programs.

Will you join us in raising awareness this year? There are a few ways to get involved:

- Register online and run or walk along your favorite route. Share photos or a post on social media with the hashtag #UnitedAgainstDV.
- Tune into our Facebook page (facebook.com/UnitedServicesCT) from 10 a.m.—11 a.m. to learn more about our programs and how you can join us in taking a stand this October.
- Sponsor or donate to our event. Any contribution is meaningful and goes directly to our critical community services.

Thank you in advance for your consideration of this request. We hope we can count on your support for these vital community programs. If you have any questions or would like any additional information, please don’t hesitate to contact me at 860-774-2020 or emorrison@usmhs.org

Sincerely,

Emily Morrison
